STACK**9**

Headless CMS

Create content once. Publish it everywhere.

Flatten the learning curve. Set-up your Headless CMS according to your in-house publishing skills.

Provide efficiencies in content production and distribution with:

Ready to use templates

Easy-to-use page-building tools

Customisable forms

Document and multimedia files management

File size optimisation

Metadata titles and descriptions

Authoring and publishing workflows

Page history and version controls

Seamless onboarding and integrations:

- Single-Sign-On (SSO)

- Multi-factor authentication

- Customisable account types and user permissions

- Microservice APIs
